Looking for Love? Knowing who Boaz is will free you from looking for love in all the wrong places. You will be encouraged, remembering the priority is not you finding him, but him finding you focused and determined. Found, but not Chosen? For women currently in a relationship, knowing who Boaz is will save your heart from putting more time into something that will not materialize. Based on the Biblical account of Boaz and Ruth, The Boaz Factor will take you on a journey of self-discovery, highlighting why we hurt from past relationships and why we continue in a cycle of false relationships that we desire to be real. With this revolutionary new book, Elder Brenda Bradley breaks through the barriers of how and why we end up in the relationships that break our hearts. Grounded in scripture, truth and past experiences, The Boaz Factor will first help you to see truths that shift the paradigm of your relationships. Then, through practical, hands on application using her "Me Time" Devotional thoughts and prayers, Elder Brenda Bradley gives you a new plan to obliterate the cycle!
